Greetings from the World Neem Organisation!

It won't be an exaggeration to call Neem the 21st century's 'Green Mantra'. Neem is the 'Green Gold' for generations to come. Neem is the 'Green Shield' of Agriculture, Human and Animal Health, and the Environment. In a nutshell, Neem is the 'Green Economy' of the Globe. Due to its remarkable potential for sustainable development, the Neem tree has been rightly declared by the United Nations as "The Tree of the 21st Century". Several multinational companies are venturing into Neem-based products. Extensive research has unequivocally demonstrated that neem offers promise as a safe and effective solution for multifarious problems in Food, Health, and Environment.

ABOUT WNO

World Neem Organisation (WNO), a Not-for-Profit-organisation and a Participant in the UN Global Compact was incorporated on May 12 2017 a forum for all Neem enthusiasts, investigators, partners, and workers with a view to synergise their expertise, knowledge, and resources to promote Neem activities across the globe.

WNO'S VISION AND MISSION

- Promote the potential of the Neem tree (*Azadirachta Indica* A. Juss) for better Plant, Human, Animal, and Environmental health.
- Promote large-scale planting of Neem across the world.
- Promote research on Neem's potential for a better world in the coming years.
- Promote production and commercialization of Neem products worldwide.
- Pursue and persuade policymakers about the importance of Neem in sustainable development.
- Create a Neem database to build greater awareness of the potential of Neem.

To create a strong Neem Wave, the **3rd World Neem Organisation (WNO)** International Seminar entitled as- "*Nature's Bounty for Sustainable Development in Agriculture, Health, and Environment*" and **4th Global Neem Trade Fair** is going to be organized by the World Neem Organisation in collaboration with **Neem Wave Exhibitions LLP**, as Exhibition partner.

3RD WNO SEMINAR

"Nature's Bounty for Sustainable Development in Agriculture, Health, and Environment"

The seminar's theme is to highlight the multifarious applications of Neem in agriculture, animal husbandry, energy, environment, household products, cosmetic and pharmaceutical industry, and human health. Eminent Neem Experts will deliver Plenary Lectures. Oral and Poster Presentations by scientists, research scholars, and industrialists will project the role of Neem in Sustainable Agriculture, Human Health, Animal Health, and the Environment.

GLIMPSE OF 2ND WNO SEMINAR & 3RD GLOBAL NEEM TRADE FAIR, 2024

ABOUT PUNE

The Oxford of the East & Cultural Capital of Maharashtra

Pune is a dynamic blend of rich heritage, academic excellence, and modern enterprise. Known as the “Oxford of the East” for its renowned educational institutions and as a hub for research and innovation, Pune provides the perfect intellectual and cultural setting for a global summit on sustainable solutions.

Geographical Significance: Pune is nestled in the Sahyadri mountain range of Maharashtra, offering a pleasant climate and scenic landscapes.

Knowledge & Innovation Hub: The city hosts premier institutions such as Savitribai Phule Pune University, National Chemical Laboratory (NCL), ARAI, ICAR institutes, and numerous agri-tech and biotech startups.

Green & Sustainable City: With its tree-lined streets, numerous parks, and strong community-driven environmental initiatives, Pune embodies the ethos of sustainability that neem represents.

Excellent Connectivity: Pune is well-linked by air, rail, and road. Pune International Airport operates direct flights to major Indian cities and select international destinations. The city is also a major junction on the rail and highway networks.

Climate in March: During the summit dates, Pune enjoys mild and pleasant weather, with temperatures ranging between 18°C to 28°C – perfect for both indoor sessions and outdoor networking.

Language & Currency: The conference language is English. Hindi and Marathi are widely spoken locally. The currency is the Indian Rupee (INR). Foreign exchange facilities are available at the airport, hotels, and authorized banks.
